April, 2019

Dear Cypress Springs Parents and Guardians,

Thank you so much for all you do to support our school! It's hard to believe we are nearing the end of the Spring Semester. There is indeed so much left to do, with so little time!

Our staff and scholars are still very busy with learning in the classroom and TONS of extra-curricular activities. We are entering our State Wide Testing season beginning with the English I and II EOCs this week. Please spend some time reviewing information with your scholar to ensure their confidence as they prepare to take these important assessments.

Please check out our school [website](#) for important information about our school. You can find information regarding our Campus Performance, the upcoming [2019 BOND](#), on the website as well.

Campus performance information has been posted on our website. We are proud to have once again MET ALL STATE STANDARDS. Additionally, our campus earned the Superintendent's Incremental Growth award for improvement in our scores! This is our THIRD year to be recognized for improvement! Thank you for supporting our campus where we EQUIP STUDENTS WITH THE TOOLS THEY NEED FOR ACADEMIC, PERSONAL, AND SOCIAL ACHIEVEMENT, ALL DAY - EVERY DAY!

As we near the end of the school year, we need to remind everyone that school begins at 7:20 am. Students need to be in the building no later than 7:15 in order to make it to their first period class on time. If students are late due to stopping at one of our neighboring restaurants, they will not be allowed to take the food or drink into class. Breakfast is available each day in our cafeteria beginning at 6:50 each morning. Please support us in these efforts as they are not only school rules, but important standards for a successful LIFE.

Additionally, please remind your student that everyone who enters our campus must have on their ID. This is a safety measure that is consistently monitored throughout the day. Also remember our [academic dress code](#) is in place to keep everyone focused on LEARNING. Please support our school in this important area. As we move further into spring, we have had to address many of our scholars about their clothing choices. Thank you in advance for your support!

Our campus received many renovations to assist us with keeping everyone safe. One important measure is our secure vestibule. All visitors must be "buzzed in" in order to enter. Once a visitor enters they must show a valid, government ID in order to access our building. Additionally, in accordance with campus safety procedures, only the listed parent or guardian will have access to students and student information. If a parent would like someone other than the guardian to pick up a student, a note from the parent must be received in the morning. The note will be verified by a staff member by phone, prior to release of the student. Thank you for your cooperation in these important safety measures.

Plas Williams Jr., Ed.D.

Director of Instruction

Jennifer Barnes

Coordinating Counselor

Morning safety continues to be a focus for improvement. The front doors are opened at 6:50 am. Because of safety, students are not allowed in the building without adult supervision. Additionally, the front parking lots are designed for registered staff and student parking. These are not drop off areas for students. Please only use the front turnaround area when dropping off students in the morning. The parking lots are busy and safety is always our concern.

Our scholars are very busy. Please check out our [campus calendar](#) to find events to support.

Thank you so much for supporting our school!
