October 2018

Dear Cypress Springs Parents and Guardians,

Fall is here!! Many activities have taken place since the beginning of school and many more are ahead. Please check our [WEBSITE](#) to keep abreast of all the opportunities available to you and your Panther. We now have our school calendar available for your convenience.

It's that time of the year for seniors to make sure their senior portraits have been taken. Each senior should have received a postcard over the summer about visiting the Prestige studio in Katy to take their picture. There is still time to make an appointment. Information is on the website in the **SENIOR** section. Only those students who have the official portrait taken will appear in the yearbook. Please don't miss out on this opportunity to be a part of HISTORY!

Senior conferences are currently taking place in the Counseling Office. Please check with your student to find out the date. Parents are always welcome!

Please be mindful of our student dress code. We want all our scholars to be dressed appropriately each day to maximize their learning time.

Our campus received many renovations over the past two summers. One important measure is our secure vestibule. All visitors must be "buzzed in" in order to enter. Once a visitor enters they must show a valid, government ID in order to access our building. Additionally, in accordance with campus safety procedures, only the listed parent or guardian will have access to students and student information. If a parent would like someone other than the guardian to pick up a student, a note from the parent must be received in the morning. The note will be verified by a staff member by phone, prior to release of the student, but EVERYONE needs an ID. There may be delays for "drop in" requests to pick up students. Thank you for your cooperation in these important safety measures.

Please remember that morning student drop off takes place in the front turnaround area ONLY. Please do not use the parking lots to drop off your student as it is a safety hazard.

The tardy bell rings at 7:20, so all students should arrive no later than 7:15 am to be on time to period one.

Our Panther mascot statue is completed and we are awaiting installation. There is still time to purchase a line with your child's name and graduation year for the base of the statue. The first 500 names will appear on the base when it is unveiled. To pay for a line, visit our [website](#) to complete the necessary form to make payment.

Thank you so much for supporting our school – All Day, Every Day!
